In Less Than
An Hour!*

ARMORTEC®

We've Made It Even Simpler To Put Together A Cambridge Outdoor Living Room

Cambridge Fully Assembled Outdoor Fireplace

After your concrete pad has been poured, simply place the bottom section in position, stack the top section onto the bottom, slip in the hearth (the piece that extends from the floor of the firebox), and you are ready to sit back and enjoy a crackling, wood fire right on your patio. Made of Cambridge Olde English Wall™ with a Cambridge Bullnose hearth, mantle and chimney top, the Fully Assembled 3-Pc. Outdoor Fireplace is delivered to your home in a choice of two popular color combinations. It comes complete with a stainless steel chimney liner, termination cap, spark screen, even a log grate, and features an array of other eye-pleasing characteristics. You have an option to add one or two firewood box extensions, also fully assembled.

Cambridge Fully Assembled Outdoor Pizza Oven

Enjoying the latest cooking rage in lavish, well-appointed American outdoor kitchens is easier than ever with your Fully Assembled 2-Pc. Outdoor Pizza Oven. Cook pizza pies in genuine Neopolitan style, bake artisan breads, and roast other foods, in an authentically designed, wood-fired oven. Ready to put up in just two simple steps on your poured concrete pad, it is delivered complete with everything needed for a fully functional pizza oven in less than 1 hour.

made of Cambridge Olde English Wall™ with Cambridge Bullnose around the oven insert, as well as across the top of each section and the arched opening of the wood storage compartment. Delivered to your home in a choice of two popular color combinations, the dented wood burning chamber and oven with a built-in thermometer have stainless steel doors and handles. A floor containing a special cooking stone eliminates the need to rotate the pizza while cooking it. The chimney liner, termination cap and spark screen are also stainless steel. The bottom section contains an accessible storage area for your logs.

Dimensions (With 2 Pcs. Put Together):

9 1/2" long, 43 3/4" deep and 92" high.
Weight: 7,212 lbs.

Simple instructions in English and Spanish are included.
